MEMORANDUM FOR: All NIOs

SUBJECT : The Monthly Exercise

1. Attached is the draft footnote that we discussed in our meeting today. It is understood that this will be attached to your memorandum of transmittal to your Community colleagues, not to the memo to the DCI proper.

2. A reminder: The next set of meetings are to be held 15-19 January and the memoranda are due to me by COB 22 January. I will then prepare a second dry run, and we will meet on 26 January at 10:00 a.m. in Room 7E62 to review the draft.

3. I think it would be desirable if when you send your package forward you disseminate copies to each of the other NIOs immediately. This is simply an extension of [redacted] request that he be so served. 25X1

This memorandum is one of a series produced monthly by NIO/_____. Its purpose is to review possible developments in the short-term future that would be damaging to US interests. Obviously many of these developments will not occur in the time-frame or in the manner suggested, or will not occur at all.
